Assessor Comments	Top quality line of W/Suff/merino Cross wether suckers that were weaned at assessment and present in fresh store to forward store condition. Frame and stretch these lambs are a second draft out of 1400 wether lambs that are by Glenfinnan high index rams out of quality Roseville Park merino ewes. Six lots in this sale comprising wether and ewe lambs. Highly recommended to do very well as trade or export types, always good doing lambs. Good sample weighed and had long curfew so very empty, hence expect weight average to be on light side. Weaned onto exceptional pastures and expect lambs to exceed weights since weaning. Two equal lots offered and delivered.
