Assessor Comments	A little line of Poll Dorset X shorn suckers. Vendor sources sires from the Valley Vista Poll Dorset Ram sale each year and consistently buys in the top 20% of the sale. Lambs are out of large framed Western bred merino ewes. These lambs present with a tail removed. All the work is done for the buyer. Up to date health treatments and a few weeks off the board these lambs if given time and the chance on good quality feed will continue to do. Vendor traditionally grows lambs out to trade weights, but this year are right up in their breeding numbers so are deciding to market a portion of the drop as store lambs.
