Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.		
Assessor Comments	Top Draft of a very well bred run of store lambs. Bred from quality medium to large frame Riverina & WA ewes, and good meaty White Suffolk & Poll Dorset rams. They would be great lambs to run onto stubbles and fat for next years market, or they have the weight now and could go straight onto a fattening ration.
