Assessor Comments	Excellent line of Poll Dorset 2nd X lambs. Lambs are all for a mob of older single lambing ewes. Normally the lead draft of these lambs are sold as trade lambs. Selling early because of the high lambing percentage this year and wishing to sell the older ewes. Lambs will still be on the ewes until delivery. Lambs have been imprinted with barley over the last month. This is 1 of 3 lots being offered for sale from this property a chance to put 950 lambs together. Lambs will grow into heavy export weights. Last year lambs sold as stores some came back into Bendigo livestock exchange 70kg plus off lucerne.
