| Assessor Comments            | Excellent line of Poll Dorset 2nd X lambs. Lambs are all for a mob of Twin lambing older ewes. Normally the lead draft of these lambs would be sold as trade lambs. Lambs are by High index Jews Harp Poll Dorset rams. Selling early because of the high lambing percentage this year and wishing to sell the older ewes. Lambs will still be on the ewes until delivery. Lambs have been imprinted with Barley over the last month. Lambs will grow into heavy export weights. Last years lambs sold as stores some came back into Bendigo livestock exchange 70kg plus off lucerne. This mob has been crutched. All lambs under 26kg have been removed. 1of 3 mobs of lambs for sale. A chance to put 950 lambs together off the one property |                             |               |
