Assessor Comments	Even line of mixed sex Merino x White Suffolk suckers. All lambs present in fresh condition and are ready to bounce forward into the spring. These lambs have been bred out of medium to large frame Merinos and are sired by White Suffolk rams that have been selected for high fat, muscle and growth. Since weaning, these lambs have shown great growth and I have no doubt if given the right conditions these lambs will grow into excellent trade weight to export weighted lambs. Please note there is 1 ewe lamb with a tail.
