Assessor Comments	A complete March/April 2021 drop of White Suffolk x merino ewe lambs, bred out of large frame Gum Hill blood ewes and sired by Castle Camps White Suffolk rams. Ewe lambs are very even, big, deep bodied and plenty of muscle in the back end. They were purchased in from the breeder as a complete drop in July this year via A+ and have grown out extremely well. They are fresh and most present in score 4 condition. They have all current Booster vaccination of 6 in 1 B12 and drenched with Ivomec. Ewe lambs have been tail stripped and Ear tagged in the near ear. Highly recommended future breeders.
