Vendor Comments	Annual sale of Dohne cross Merino Wth lambs, very happy with how they have gone forward since weaning
Assessor Comments	Very good line of 480 MO x DOHNE Wth lambs. The lambs are bred out of large frame pure dohne ewes and Leahcim Merino sires. The vendor has decided to put the merino back over his dohnes to improve wool cut while keeping good bone, structure & frame. These lambs present in fresh condition and given the opportunity will grow in to export lambs down the track as they have in the past.
