| Heifers worked well through home yards at assessment and were quiet in race and crush while being preg tested and assessed. A % of heifers became slightly unsettled during photos and videos but showed no malice towards people. Please note: Vendor bred cattle that have never left this property and have only been worked in home yard generally by the vendor on his own. |                                          |               |                                     |
