Assessor Comments	This is a very quiet & well handled line of Angus Cows & Calves. The Vendor has been breeding Angus Cattle on the Northern Rivers for a number of years now & has been purchasing Bulls from the Booroomooka Angus Stud for some time. Cows are all Vendor Bred & present in Good Store Condition. Calves are from 1 to 5 months old & are all by Angus Bull Booroomooka Kiwi K237 (AI). Vendors are only selling these Cows & Calves due to the loss of an Agistment Paddock. All Cows were mouthed at assessment & 1 Cow in this lot is missing 1 tooth as shown in photo's. This is an Extremely Quiet line of Cows & Calves that would suit the Hobby Farmer or Restocker. These cows will do extremely well moving forward your attention is recommended. Note the video of the calves in this lot is of the 10x10 calves as they are of similar age & size. (Video of the 9 calves was lost)
