Handled With

Heifers handled well in yards, odd one got agitated in crush (being mouthed) but quietened once back with mob.
Bikes , Vehicles

Assessor Comments

Red tag Angus X heifers in good store to forward condition, preg tested to Mosquito Creek angus bulls. Observed 2 head with small warts, plus some with old vaccination lump on neck, not detrimental. These heifers carrying a full bang tail, for identification only. Heifers just starting to clean up in the coat. These heifers, given the opportunity, continue to develop into ideal breeders.

Assessor

Peter Hargreaves (Level 1 Accredited)
