| Assessor Comments             | A smaller line of Angus cows doing a great job on their calves. Cows are in store condition and milking well. Ideal opportunity to purchases proven breeders that have not been rejoined. Would be ideal articles to split. (3) cows had a blue or cloudy eye not deemed detrimental to breeders.                                                                                            |                |                                     |
