Assessor Comments	An exciting line of young heifers that are PTIC to a low birth weight Angus bull. These heifers have the right growth and stretch to calve down with ease given the right management. With the season at hand and extraordinary Cattle prices these heifers present as an opportunity to expand or break your way into cattle by having calves to sell by next year. please note: 1 older Angus/Santa heifer that is a 4 tooth otherwise they all just cutting 2 teeth.
