	Cows worked off you well in the yards with no sign of aggression. These cows were worked in a very confined yard with no stir					
Handled With	Bikes , On foot , Vehicles					
Assessor Comments	A Small line of excellent vealer rearers. Cows have been mouthed sound and been Running back to a Millah Murrah Kingdom AI son. Cows are showing plentiful milk and are doing a wonderful job on the calves. Calves are by the Kingdom son and have been vaccinated prior to assessment but bull calves were not marked. These cows would be an ideal trade proposition or retained for vealer production.
