Assessor Comments	Opportunity to purchase a line of 12 Angus and Angus cross Heifers with Angus and Red Angus cross CAF. These heifers range from 2 to 2.5 yrs with their calves ranging 1 to 3 months old. These heifers are medium to large framed and are doing a great job on their calves. There are 5 Angus cross and 7 Angus heifers and in the calves there are 6 Red Angus calves, 1 Angus X and 5 angus calves. The vendor has marked and given the calves a 7 in 1. The Heifer have been running back with a Hazeldean Bull & Reiland Bull since the 20th of October. These bulls will still be with the heifers till Delivery. Finally I believe these heifers would suit someone that was looking to replace cows that have lost calves and build their cow and calve numbers up and have a young cow that is hopefully in calf, to calve in the spring.
