	Quiet: 4 head Stirry: 1 head Well handled heifers that were easy to work through yards. One heifer was noted to be stirry when moving between pens but settled once back with the mob, Bikes , Dogs	Quiet: 4 head Stirry: 1 head	Temperament not assessed in Paddock
Handled With			
Assessor Comments	A small line of excellent quality heifers with their first calf at foot. These heifers are very well bred and the quality of the genetics is evident. The heifers are of good frame and will continue to grow out and mature into large frame breeders. They show excellent milk and are doing a great job on their young calves. Please note the vendor has a small lot of PTIC females in this sale.
