| Assessor Comments                         | Females that would have been retained and calved down, unfortunately due a change in circumstances. These females are now being offered for sale. Purchased from Acc the breeders out of the Mansfield region, and carrying the Riga & Witherswood Angus bloodlines. PTIC to high-end select Te Mania sires for a short Mid February - Early April calving. This is an ideal line of females for anyone wanting to introduce some very smart genetics in to their program. Or calve down & take advantage of the buoyant Heifer & calf market. Buyer Notes. Both gestation periods photographed as a group. These females walked 14km to the yards on Thursday at their agistment property and were trucked home, weighed and assessed on the following Monday - please consider this in your delivery adjustments. 5 females presented with a white patch on their flanks/udders, 1 with a blue eye & 2 presented with Vaccination lumps on their neck, not deemed detrimental. |                                     |     |                |       |                 |                                           |                                           |                                     |           |     |  |  |       |     |
