Handled With	Little bit cheeky trying to yard Daisy & Jemima as they have been A.I'd before and understandably, did not want to go back in to the crush. Once they were inside the laneway gate they all walked up and in to the yards without hassle. Bikes , On foot , Vehicles
Assessor Comments	Jemima is a traditional idyllic style Highland cow with beautiful horn structure and the desired 'bangs' of hair falling down her face. Lovely young Heifer calf at foot by Gille Coir of Pennygowan. Jemima has now produced & reared 2 calves via artificial insemination, & is now ready to join back to the bull of your choice. Jemima is quite friendly & will stand in the paddock for a head scratch and to be fed a few treats from the veggie scrap bucket. She is a traditional style highland, with plenty of length, without being overly tall, Jemima & Jay would make an excellent addition to any hobby farm, or be perfect to put in an orchard beside a winery or country escape. Please see photos and video for full contentment.
