Docile: 1 head	Docile: 1 head	Temperament not assessed in Paddock

Little bit cheeky trying to yard Daisy & Jemima as they have been A.I'd before and understandably, did not want to go back in to the crush. Once they were inside the laneway gate they all walked up and in to the yards without hassle.

Handled With	Bikes , On foot , Vehicles
Assessor Comments	Daisy is the queen B of the Windonlea Highlanders. Daisy has produced & reared 2 calves previously via artificial insemination, unfortunately she did not conceive from the last round of A.I. giving the successful purchaser the chance now to join her to the bull of their choice. Daisy is very friendly, happily standing in the paddock for a head scratch and to be fed

	a few treats from the veggie scrap bucket. She is a traditional style highland, with plenty of length, without being overly tall, Good even set of horns and some nice locks hanging down her face. Daisy would make an excellent addition to any hobby farm, or be perfect to put in an orchard beside a winery or country escape. Please see photos and video for full contentment.
