Assessor Comments		DJ is a nice quiet young steer calf & still at an age/weight that he'd be very easy to break in and halter train if desired. Small horns that are growing very evenly and some nice locks starting to fall down his face. DJ is the grandson of Daisy & by Gille Coir of Pennygowan (His mother 'Daphne' is not being sold, he will remain with her until delivery) DJ would be an excellent addition to any hobby farm, or be perfect to put in an orchard beside a winery or country escape. Please see photos and video for full contentment.
