The odd cow under pressure was slightly stirry in the crush and the force yard, otherwise cows were quite good to handle.

Assessor Comments	A genuine sale of Angus Cows with Angus Calves at foot, Cows are mixed aged and predominately range from 3-8 Year Old. Calves are sired by Chiltern Park Angus bulls and range between 1-4 months old averaging 152 kgs. Calves were marked at assessment and vaccinated with 5in1, and present in fresh and sappy condition and starting to thicken up on the fresh spring feed. Cows present in forward store condition and have all somewhat lost there winter coat and are starting to really put on some weight coming off a long winter. Cows have not been rejoined giving the successful purchaser the freedom of joining them to a bull of there choice. Please note there is the odd cow (3) that show signs of being an F2 (Angus X Angus/Friesian).
