Assessor Comments Hereford and Hereford Shorthorn X Heifers with Injermira Hereford calves at foot. All the hard work has been done for you. These heifers were purchased as replacement females but an expansion of the cropping program has left no room and they have to be sold. Very quiet heifers, doing a great job on their calves. Heifers are in great order and you will have no trouble getting them to take a bull of your choice. Calves are all fresh and sappy with plenty of shape and bone about them. Every calve is tagged to its mother. Please note same vendor has the three other lots of heifers and calves in the same sale.
