Quality Grades	
Very Good	80%
Good	20%

Assessor Comments	Annual turnoff of quality young first cross ewe Lambs, out of Airlie blood ewes by Chain-O-Ponds rams. These young ewes are between 11 and 13 months of age, they have plenty of bone and good frame, and will mature into a good line of first cross ewes for producing fat lambs. Please note heaviest ewe was cutting 2 teeth , a fair sample was taken with the rest and all had lambs teeth. A very nice line of young 1st cross ewe lambs.
