| Assessor Comments            | The Fisher family are offering their annual sale of 210 rising 4.5 & 5.5 yo Egelabra blood classed breeders. These large framed deep bodied matrons are backed by 30+ years of Egelabra breeding and classing. They have just recently had their lambs weaned and are starting to surge ahead in condition so would be ready to take a ram in the coming months. Ewes are January shorn and are carrying a large rebate on there backs. These are well regarded, quality sheep that come highly recommended |            |                        |     |
