Assessor Comments	A Magnificent line of one and a half year old ewes, ready to go out with ram of choice. The vendor has been on Centre Plus & Kambah Poll Merino bloodlines for 20 years and usually weans 95% of lambs off his top maiden ewes. Good solid stretchy sheep these ewes will suit a commercial operation and/or terminal sires. A tail has been removed for your convenience, so you can buy with confidence. Recommended EWES that had low worm counts on 11/10/21 with an average of 7 EPG.
