Assessor Comments	A top line of mixed age Surplus ewes, ready to go out with ram of choice. The vendor has been on Centre Plus & Kambah Poll Merino bloodlines for 20 years. Good solid stretchy sheep these ewes will suit a commercial operation and/or terminal sires. A tail has been removed for your convenience, so you can buy with confidence. Recommended EWES that had low worm counts on 11/10/21 with an average of 13 EPG. All older ewes were mouthed at assessment and all had full mouths. The blue tags were short stumpy teeth every thing else was as you would expect for each age. Majority of the ewes are younger.
