| Assessor Comments | Excellent quality young ewes ready to join. Ewes present in forward to fat condition with plenty of bloom from an exceptional spring. These ewes are normally retained in the flock however a change of direction sees these on the market. Older sisters also on offer today in this sale. Younger ewe suckers also on offer in lamb sale. Note ewes have a light mulse. Note very odd ewe with minor water damage in wool from wet conditions. Note delivery Thursday/Friday please. |
