Assessor Comments	A good line of Bond ewes which are proven breeders. Despite lambs having been recently weaned off them they are presenting in very forward to fat condition. They are large frame and very plain bodied showing the true characteristics of the Triggervale Blood line. These ewes are July shorn and would be a great addition to any farming enterprise looking for large frame ewes to breed from. PLEASE NOTE: Green tags are not Mulesed, orange tags have been Mulesed
