| Assessor Comments            | Excess Breeding ewes not required for next season . Aug 2016 drop June shorn. These ewes have just had lambs weaned off them. Mostly 2, 3 score these ewes are large frame and with lambs off them will put the weight back on. Ewes have been mouthed and udder checked anything deemed not good enough for another year has been removed. Ewes are scanned ever year with no dry ewes kept.            |            |          |
| Assessor                     | Greg Boyd (Level 3 Accredited)                                                                                                                                                                                                                                                                                                                                                                           |            |          |
