Assessor Comments	B/L Merino x ewes 14 months October shorn, mulesed, gudair vaccinated, by Womboota super border rams, ex Borambil merino ewes. Ewes are well grown and present in fat condition 61.kg live weight at assessment. Ewes are from merino ewe lambs which Tarcombe joined for time last year. The Hayes Family continue to offer these quality young ewes year after year. Tarcombe won North East Victoria merino flock of the year for 2016. These ewes come with my highest of recommendation.
