Quality Grades	
Very Good	100%

Assessor Comments	Regretful sale of some very large frame ewes that cut a beautiful 19.4 micron fleece. These ewes have been ideal ewes to breed to any terminal ram or could be joined to the merino for future breeders. These sheep have not handled the high rainfall country and would be a shame if not given the oppurtunity in a dryer climate. Middle age ewes that have many years of breeding ahead of them.
