Assessor Comments	**Outstanding Ewes** Pride of any flock, its hard to go past these 5 1/2 Yr Old merino ewe, with 70 years of top Merryville genetics behind them & more recently the McGinnisken family have paid up to $8500 at Roseville Park. Great bodied, strong robust ewes cutting 6.5kgs and only testing 18 mircon, these ewes come with my highest recommendation. These ewes have been Gudair vaccinated, mouthed, titted and feet have been gone over with a fine tooth comb so you can buy with confidence. With Lingara having 187 same aged ewe in this same sale just more of a Merryville type & have been running in a different mob.
