Assessor Comments	**Outstanding Ewes** Pride of any flock, its hard to go past these 5 1/2 Yr Old merino ewe, with 70 years of top Merryville genetics behind them. Great bodied, strong robust ewes cutting 6kgs and only testing 18 mircon, these ewes come with my highest recommendation. These ewes have been Gudair vaccinated, mouthed, titted and feet have been gone over with a fine tooth comb so you can buy with confidence. With Lingara having 186 same aged ewe in this same sale just more of a Roseville Park type and have been running in a different mob.
