Assessor Comments	A complete drop of 155 March/April, 2021 White Suffolk x merino ewe lambs, bred out of large frame Gum Hill blood ewes and sired by White Suffolk rams. Ewe lambs are very even, big, deep bodied and plenty of muscle in the back end and averaged 46kg at assessment. They were purchased from the breeder as a complete drop of mixed sex lambs in July this year via A+ and have grown out extremely well. The vendor had the intention to split the ewes as future breeders so was very specific about the line of sheep purchased. They are fresh and most present in score 4 condition. They have all current Booster vaccination of 6 in 1 B12 and drenched with Ivomec. Ewe lambs have been tail stripped and Ear tagged in the offside ear. Highly recommended future breeders. Please note vendor has another lot in sale.
