Assessor Comments	These ewes are the complete drop of the Classed in Rosebank 5.5yr Ewes. These ewes are medium to large frame sheep bred for their wool Quality and breeding attributes from a long term Stud and Merino Breeder. These ewes had 116% merino lambs weaned off them at shearing on 31st August and have done very well for past purchasers. Please note there is a total of 612 ewes in this age group for Rosebank and are being offered as 2 runs of 306 head out the gate. All 612 Ewes have been mouthed by the staff with 160 having slight wear on front incisors or missing a wing, with broken mouths and any bad udders removed from this lot. 33 Ewes were noted with slight scur and 20 with small horn. These ewes represent an ideal opportunity to join to the ram of your choice to continue the wool and breeding line or use terminal sires over. Rosebank also have a line of 157 3.5yr and 4.5yr Ewes and a line of 160 Rising 1.5yr Ewes in this sale as well.
