Assessor Comments	Well Bred wool growing Young ewes from well known Long term merino breeders. These ewes are being offered as part of the Rosebank annual sale of Ewes surplus to requirements and the vendors have 3 other lines of Merino Breeding Ewes in this sale. These young ewes represent an ideal opportunity to purchase some excellent genetics from the Rosebank Bloodlines and the sheep have performed well for past purchasers and come highly recommended by the agents. Please note that there were quite a number of these young ewes still with their lambs teeth at assessment and will grow onto very good medium to large frame Ewes.
