	Cows were touchy to handle in yards and like station cows, when pressured reacted accordingly.

Assessor Comments	A line of crossbred cows presenting in store condition with very good calves at foot by a Charolais bull, and running back with an Ascot Charolais bull. Please note 2 calves are a little woody but other calves are very good. Cows have plenty of frame and are really starting to milk with the flush of feed. Cows were touchy to handle in yards and like station cows when pressured, reacted accordingly. All calves have been treated with 7 in 1 and Multi-min. **Please Note** 5 cows with 1 tooth missing, 1 cow with 2 teeth missing, 2 cows with 3 teeth missing and 2 cows with all teeth missing.
