Assessor Comments	A great opportunity to purchase well grown out heifers joined up to Door Key N0292 (AI) (ET) Wagyu bull. Heifers have plenty of bone and shape about them and should become very good matrons in any herd regardless of the sire you're putting over them. These 13 heifers were purchased ex Inverell store sale August 2020, as weaner/yearling heifers. Vendor then grew them out and has joined them to Wagyu bull. They are being offered for sale as they are not part of vendors main breeding enterprise. Please take note 2 heifers seen with slight blue eye scarring, not considered detrimental.
