Assessor Comments	9 x 9 Angus Heifers & Calves. Heifers were purchased from Glen Innes NSW for future breeders, but the property has since been sold and these girls are on the market. A small but classy offering of breeders that are 3yrs old and weighed 530kg - 630kg to average 582kg at assessment. They have good quality calves at foot by "Millah Murrah M189" that averaged 152kg and range from 8wk - 14wk of age. Heifers have been re-joined to a stud "Bongongo Angus" sire which will be taken out at loading. A very good opportunity to secure extremely well bred females with good quality calves at foot. P G Howarth is offering another 2 lots of Cows and Calves and 3 lots of PTIC cows in today's sale totalling 63 PTIC Females and 35 Cows & Calves. PLEASE NOTE: 1 x cows with scarring in one eye / 2 x cows with white on the udder.
