Assessor Comments	An excellent quality line of Angus Cows. Cows present in prime condition and have done extremely well with favorable seasonal conditions. Cows are of large frame and from an excellent genetic based herd. Cows are being offered due to an out of season calving for the Vendor and are genuine classed in breeders. The Cows have been joined to the Twynam and Moogenilla Angus to bulls to calve in February and March. Buyers please take a special note to the delivery period, this is in regards to the current flooding in Forbes. The Cattle will remain on excellent feed until delivery. Also to be noted of the 114 Cows weighed and assessed there was 8 Cows with old blue eyes and 1 cows with an old grass seed scar, see photos. These Cows are to be offered as a run out the gate sale with the Vendor offering 3 lots of 38. Quality Angus Cows that come highly recommended.
