Assessor Comments

Small but quality line of Yamba bred five year old Angus cows in the prime of their breeding life. Cows present in fantastic order are deep bodied with sound udders that are doing a fantastic job on their sappy calves at foot. Two cows noted to have white on udder and two cows had slightly long hind toes which were treated by a vet day of assessment. Great opportunity to buy a line of quiet, well breed cows that would be a great addition to any herd or ideal cows to use as recipients in a spring ET program.
