Assessor Comments	'Curemont Maddison M13' is a well bred Limousin 5 year old PTIC cow and calf unit. Bred in the Curemont Stud, M13 is doing a great job on her bull calf. She has been Al'd to a French Limousin Bull 'Rocky' and cover mated to Curemont Q6. A great opportunity for the buyer to take advantage of significant investment in leading Limousin genetics by the Curemont Stud. M13 has had a crack in her front left claw but the crack is growing out and she displays no lameness during movement.
