Bred in the Curemont Limousin Stud, the heifers are being offered for sale by the vendor as they are consolidating their registered female numbers. The heifers present very well, have excellent weight for age, muscling and bone. The Curemont cattle are excellent for temperament, these heifers are very quiet. Most are descendants of AI and ET programs with many influential sires used in the Curemont Stud. Heifers are joined to a Curemont Black Limousin bull to be removed at assessment, heifers showed evidence of cycling during assessment.
