Assessor Comments	On offer is a single Limousin Cross Heifer. Bred out of a recipient cow who was covered by a limousin bull. The heifer is being offered for sale by the vendor as they are consolidating their female numbers. The heifer presents very well, displaying excellent weight for age, muscling and bone. The Curemont cattle are excellent for temperament, this heifer is very quiet. This heifer is joined to a Curemont Black Limousin bull to be removed at assessment, heifers in her group showed evidence of cycling during assessment. Buyers please note: the vendor has a number of single lots of PTIC (AI) Cows and heifers in the Eastern States Cattle Sale today.
