Assessor Comments	This mob of 18 matrons present a good opportunity to buy genuine store cows that are rearing some great cross bred calves. Despite being 10 years old, the feet are all good, and most of the udders are good, just the odd cow where the bag is just starting to hang, and the odd teat a little larger, the cows are holding up very well . The calves are good solid cattle, with 10 by the Limousin bull, and 8 by a Simmental bull. Good quiet cattle that should do well into the coming summer.
