Assessor Comments	Opportunity to purchase a line of young Ang/Shorthorn Cross heifers which have been running with a Schipp's Red Angus bull since the 3rd of October (7 Weeks) and the bull will be taken out at delivery. The majority of these heifers are large framed with a percentage of them being medium framed. There are 12 vendor bred heifers in the consignment and the balance were purchased of Auctions Plus from Riverina breeders. They are very quiet and were a pleasure to work in the yards and crush. NB at assessment two heifers were noticed with pink eye scaring in one eye and one heifer was noticed with some old ringworm scaring around the eye.
