Easy too handle in paddock with other cattle. The steer became quite stressed when taken away from the others when on its own.

Handled With Bikes , Dogs , Horses , On foot , Vehicles

Assessor Comments Good quality Traditional Scottish Highland Bullock named Frank. Frank will be a great additional for any small hobby farm block to put out in front paddock. Up too date With all drench and vaccinations. Became a little agitated when drafted for assessment but was fine once back in paddock with the remaining herd. Still young enough too break in with a bit of time.
