Assessor Comments	Well Bred Cows and Calves in the Prime of their Lives. Doing a great job on their calves and have had the opportunity to a Tulagi Angus Bull since they commenced calving so a fair % should already be back in calve. Predominately Large Frame, 8 with some white on their Udders, 2 with light clouding of their eyes, and one Cow is missing a rear toe nail but does not effect her movement. NOTE: One larger Steer Weaner appears in some photos but belongs to another mob.
