Assessor Comments	Long, deep bodied vealer mum doing a super job on her big poddy. Fresh healthy condition. Calf already has 1 foot on the till and won't take long to finish off. Re-Dep to the Alpine Angus sires providing a potential 3in1 unit. Prefect little lot to add to an existing vealer operation & replace some empties, or for a smaller scale hobby farm to secure a vealer mother without the need for a bull in the near future. Please see photos & video for full contentment.
