Assessor Comments	Originally purchased for a new Herd, but due to a change in operations, and very wet conditions these lines of Heifers and Calves have once again come up for sale. 15 Angus/Hereford x Heifers PTIC to Stud Leawood Angus Bulls renowned for Calving ease and high Growth. Calving as 21/2 year olds. Showing plenty of frame and maturity after originally purchased as heifers in 2020 out of Mountain Calf Sales, these heifers have been hand selected to suit breeding operations. Please not 1 blue eye scaring and 1 white crest in Heifers only a cosmetic issue.The cattle are ideal young future breeders and are an excellent opportunity as heifers of this calibre are rarely offered for sale. Please note Vendor has other consignments in this sale.
